

NEW!

Health & Safety Signage Templates for PosterArtist

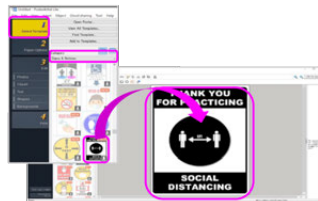

We are all in this together. Help keep the public safe by creating signs, posters, and banners in PosterArtist! As restrictions are lifted and schools begin to move forward, our PosterArtist software and ColorPro large format printers can quickly generate critical communication to let others know what you are doing in response to Covid-19.

Featuring added images and clipart that include:

- Instructions on hand washing
- Face covering
- Social Distancing
- Curbside pickup
- Hours of operation
- And more!

New templates will populate under the "Signs & Notices" category when program is connected to the internet. User needs to click on image to download to program
